# QB06

- 1x Stealth wireless charger
- 1 x Power adaptor with (1.5m) lead and plug
- 1 x Sticker (90mm)
- 1 x Resonator pad (90mm)
- 1 x Electronic alignment board
- 3 x Cable Clips

# QB21

- 1x Stealth wireless charger
- 1 x Power adaptor with (1.5m) lead and plug
- 1 x Resonator pad (120mm)
- 1 x Electronic alignment board
- 3 x Cable Clips

# QB06

- Charging distance 10-30mm (10-20mm with sticker, 15-30mm with resonator pad)
- Dimensions: 154mm\*110mm\*10mm
- Net weight: 180g
- Color: Black
- Frame material: PC+ ABS
- Input voltage/Current: 19V/0.94A
- Ambient temperature: 0-40°C
- Horizontal tolerance:  $\pm 10$ mm
- Output Power: 10W (Max)
- Protection: FOD, OCP, OTP, OVP
- Charging mode: Qi-BPP(5W), iPhone fast charging (7.5W), Samsung fast charging (10W)
- Certification: CE / FCC

# QB21

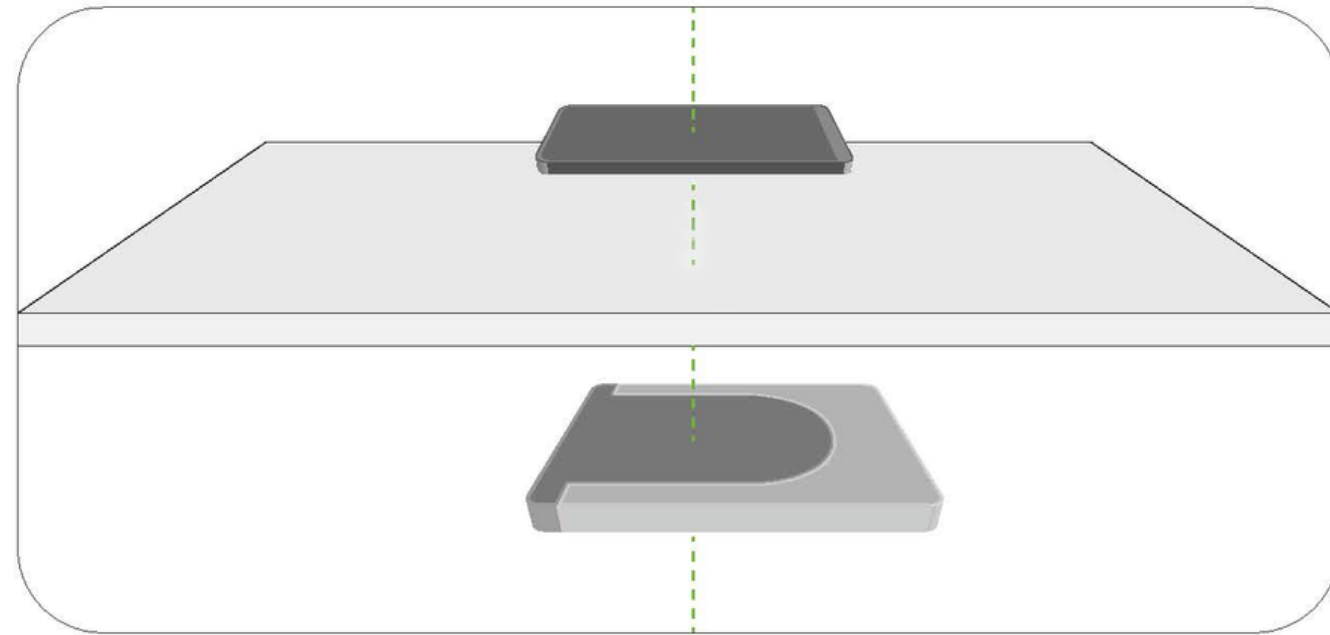

- Charging distance 20-50mm (resonator pad required)
- Dimensions: 154mm\*110mm\*10mm
- Net weight: 180g
- Color: Grey
- Frame material: PC+ ABS
- Input voltage/Current: 19V/0.94A
- Ambient temperature: 0-40°C
- Horizontal tolerance:  $\pm 10$ mm
- Output Power: 10W (Max)
- Protection: FOD, OCP, OTP, OVP
- Charging mode: Qi-BPP(5W), iPhone fast charging (7.5W), Samsung fast charging (10W)

10-20mm, completely invisible, use a sticker or engrave to mark the spot

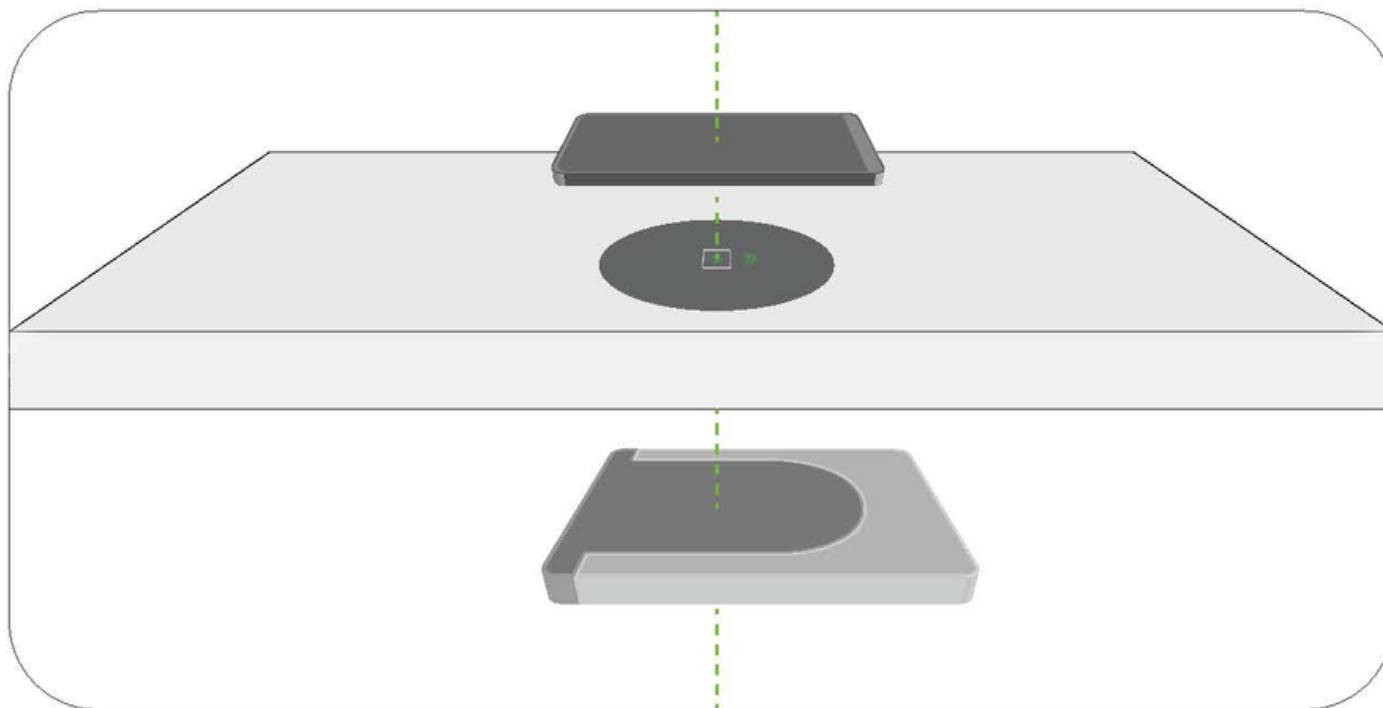

1

# QB06

Charging distance 10-30mm  
Sticker diameter 90mm  
Resonator pad diameter 90mm

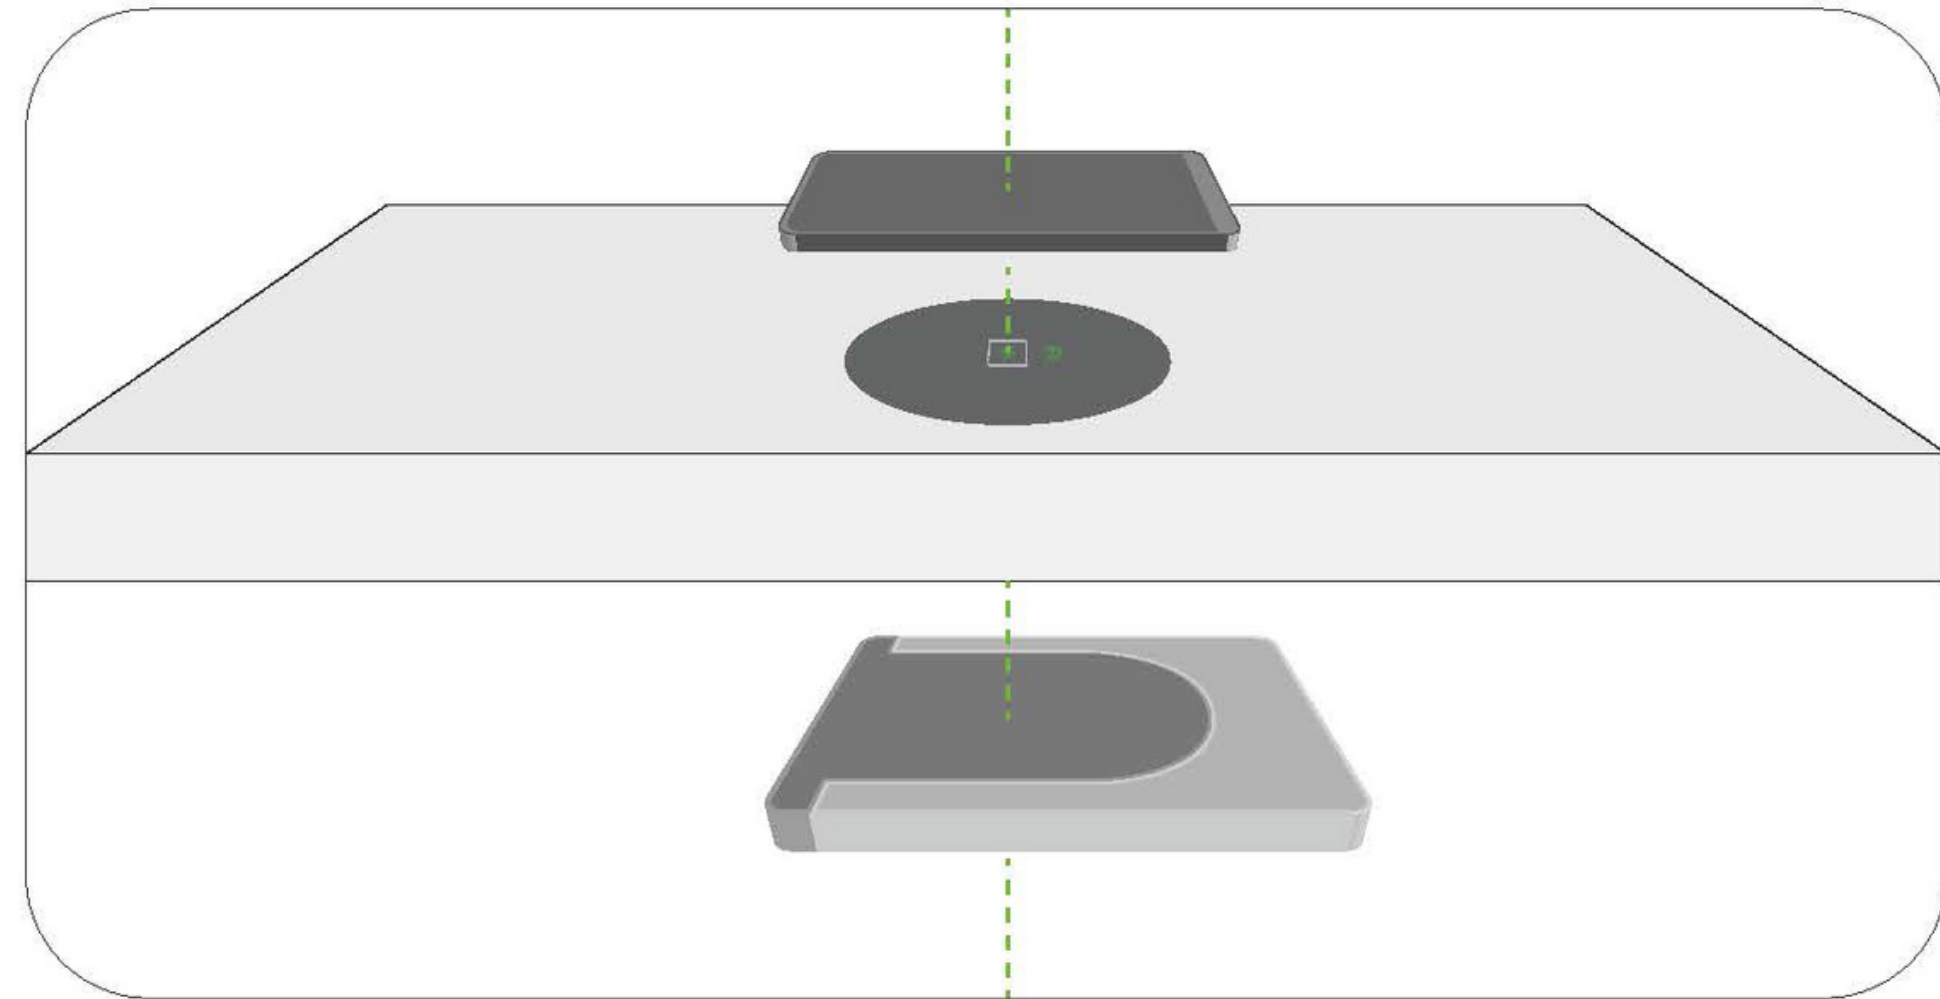

20-30mm, use a resonator pad to maximize the charging efficiency and distance

2

# QB21

Charge distance 20-50mm  
Resonator pad diameter 120mm

# Stealth Wireless Charger Benefits

- Supports Samsung 10W and Apple 7.5W fast charge
- No surface cutting required
- Charging distance up to 50mm/1.97"
- F.O.D. detection
- LED charging status indicator
